Raider Athletic Booster Club

Single and Multi-sport Membership Packages for parents, grandparents and recent alumni

Join RABC today and support our student athletes in every sport. The purpose of RABC is to encourage and support the SCPS athletic philosophy as well as all sport and support groups. All sports, as well as cheerleading, Flag Corp, Marching Band, the athletic training staff and athletic facilities are the focus of this organization. Through RABC memberships, athletic program advertising, fundraisers, concessions sales and in-kind donations, the Raider Athletic Booster Club has provided over fifty thousand dollars to all sports and support groups that submitted equipment, travel, food, senior banners and senior recognition night events as well as sport banquet requests.

GET INVOLVED – Any person who subscribes to the purpose of RABC; parents, family, friends, alumni and area businesses are encouraged to join.

ATTEND MEETINGS – RABC meetings are held the second Monday of every month at 6 PM, Room 139 in the Eckburg Center. Make sure that your coach and parent team representative are in attendance to represent the needs of your specific program. ALL members are encouraged to attend ALL meetings.

CORPORATE SPONSORSHIP - Single and/or multi-venue banner advertising opportunities are available, as well as sponsorship ad's in the athletic program.
