Dear Parents:

Savannah Christian Middle School participates in a program that, because of free enterprise and corporate competition, presents us with opportunities to receive funds to use for educational purposes in our school.

The Publix Partners Program provides payment to Savannah Christian Middle School when you shop at Publix Super Markets. All you need to do is present your Publix Partners card at the checkout counter prior to your purchases being tabulated. The total amount you spend will be credited to our school. At the end of each quarter, Publix will send us a check for an amount based on your total spending.

Be sure to take your card to Publix each time you shop. The more you spend, the more we earn. **What an easy way to support your school at absolutely no cost to you!** Your card is good at Publix stores in Georgia, South Carolina and Huntsville, Alabama.

Publix completes all the bookkeeping, and there is absolutely **no cost to you or Savannah Christian Middle School.**

Thanks Publix! Thanks Parents! If you have questions regarding this joint effort to provide the best education possible for our children, please call 912- 355-2693, ext. 101.

To make this program even more successful, you are encouraged to give others the opportunity to share in this program (grandparents, neighbors, older brothers and sisters, friends, work associates, etc.). If you would like additional cards to distribute to others, just let us know. We'll get them to you!

Again, thanks for your support!
