

Welcome, Class of 2017, to your senior year at Savannah Christian!

The following information and assignment is in an effort to help you prepare for college admissions as we begin your senior year together.

The English and Guidance Departments have teamed up to assist you with the application process. This summer Ms. Hardy will be offering two student/parent workshops entitled “**Beat the Heat**” which will be held in the media center on **Monday, July 18 12:00 – 1:00** and **Monday, August 1 11:00 – 12:00** to review your resumes and sample college application essays. She will be sending you an email notification about these upcoming events. If you are unable to attend either session, please feel free to email them to Ms. Hardy and she will review them for you.

Enclosed you will find additional information to help you prepare your college resume and a sample college application essay. Both of these documents are to be prepared, printed, and ready to submit to your English teacher on the first day of class, **August 11, 2016**, when you walk through the door. Please be aware that this will be a graded assignment and that revised copies will be filed in the College Counseling Office. If the assignment is not submitted on time, a late penalty will apply. Both assignments should be taken very seriously as they can be aids when you start applying for grants and scholarships.

Lastly, if you have not taken or scheduled to take the SAT or ACT, I highly recommend that you do so for the upcoming June dates. You will need your scores for the summer resume assignment. Please understand that if you do not have the scores that you would like, there will be other opportunities in the fall to retest if needed. The school code for SCPS is **112-698**.
