

Text: Abeka's "ABC-123"

Introduces number concepts and the formation of numbers 1-20. Children enjoy counting and coloring familiar objects for each number and forming the numbers. Phonics-based reading readiness pages are full of carefully sequenced activities in recognition, sound, and formation of vowels (long and short), consonants, consonant-vowel blends, and one-syllable words of one or two vowels. Children color the pictures after completing their work.
