SCPS Middle School Players & Parents,

I hope this finds everyone well and enjoying the final two months of the school year. This is a special invitation for our Middle School football players to participate in our Raider Football Spring Practice at the Chatham Parkway Campus. Rising 5th, 6th, 7th and 8th graders will spend one week, May 8th - May 12th, in an exciting, yet safe football environment. At this time all the football coaches in the Raider football program both Middle and Upper School will work with our young Raiders on all the fundamentals and team work that have made the Raiders one of the elite programs in the state. We will stress to all players and coaches the skills and fundamentals that will be taught to all players at every level throughout the football program.

The following week, May 15th – May 19th, we'll continue with a second week of practice with Upper School football players. We would also like to have all rising 9th graders attend this week. Participation is not mandatory, though it will go a long way in getting you adjusted to the Raiders' way of preparing for the up-coming season.

In closing, I feel truly blessed to be working with such special student/athletes and their parents at SCPS. I assure you that at the end of their time at SCPS they will be better prepared for the challenges that await them in the outside world. The student athletes will learn more than just football. They will learn life lessons, that comes from playing the game at Savannah Christian. **EVERYONE IS IMPORTANT! TOGETHER WE WILL ACCOMPLISH AMAZING THINGS THAT WILL LAST A LIFE TIME!**

Sincerely,
Donald Chumley
