

Savannah Christian Community,

We are excited to welcome you back to another school year! Our faculty and staff have been diligently preparing for your child's return. This year marks my fifth first day at Savannah Christian and my nineteenth year as a headmaster. These nineteen years have taught me one piece of advice that I like to share with our families... **please be patient**. Even though we have spent countless hours planning and preparing for the first day of school, with our enhanced protocols for COVID-19, everything will move a little slower than planned as we begin the 2020-21 school year.

We welcome back a full campus of over 1,200 students. With a full school and over 100 new families, please allow extra time for carlines as everyone grows accustomed to the traffic flow. Additionally, as we adjust to operating under new procedures, the first few days will look different as well. Even though we will function much differently this year, one thing is for sure: the Raider spirit that has been a staple in our community will endure. Our staff loves your children, and we are all waiting to make Savannah Christian the best school to prepare your child for college and life.

Before returning to campus on Thursday, please review the information below. If you have any questions regarding your child's return to school, please contact Becky Thomason at [bthomason@savcps.com](mailto:bthomason@savcps.com).

## Back to School Information

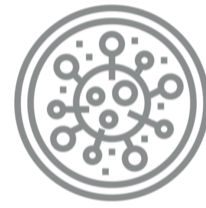

On our Back to School site, you will find all the information necessary for your child's return. Some of the content you will find on this site includes:

- Summer Reading
- Lunch Account Instructions
- FACTS Family Portal
- 2020-21 Calendar
- Athletics
- School Start Times
- Uniform Guidelines
- Supply Lists
- Lower School Before & After Care Registration
- Carpool & Drop-Off Map
- Bus Transportation

## COVID-19 Protocols

Throughout the summer, we sent information home about our ongoing efforts to provide a clean campus and healthy learning environment. Please know that the school has planned the best environment possible for our students, faculty, and staff. As we begin the school year, we will make changes as needed where we determine we can improve our practice to maintain a healthy school.

## MyMedBot

Earlier this week, you should have received an email invitation from MyMedBot. This program is a simple and secure health screening app that uses scheduled push notifications to quickly prescreen individuals every morning for risk factors that could be related to COVID-19. Every morning, before school starts, parents will be required to complete a quick health screening questionnaire for their student(s).

For questions related to the MyMedBot app, please contact Rick Tindol at [rtindol@savcps.com](mailto:rtindol@savcps.com) or 912-721-2127.

## Your Student's Lunch Account

If you have not done so yet, please take a moment to create your child's lunch account with Lexington Independents. This year, all students in grades four through twelve will receive an ID card with a barcode to purchase lunch.

In order to create your student's account, you will need their ID number. Please click the button below to receive instructions on locating your student's ID number to create their lunch account. This information is also available on the Back to School page of our website.

Every year I look forward to the return of students on our beautiful campus. This school year is especially exciting as we haven't seen our students since March! We can't wait to see you on Thursday.

It's a great day to be a Raider!

Chris Harmon, Ed.D.

Headmaster
