

<b>Bible 3</b>	
Text:	Positive Action Bible Curriculum, 3 <sup>rd</sup> Grade Growing With God by Cherie Noel
Supplemental Materials:	Workbooks, Bibles
Course Description:	Third grade units focus on the life of Joseph in the Book of Genesis and on the life of Daniel in the Book of Daniel. Through this study the Word of God will become more meaningful to the lives of students so that they can see the truth of the Scriptures at work in their own lives. All lessons ultimately focus on the development of internal character as discussed in Romans 8:28-29.
Methods of Evaluation:	Workbook pages, quizzes, Bible memory verse tests
Pace of Instruction:	One lesson per week
Course Objectives:	<ul style="list-style-type: none"> <li>Study the Word of God</li> <li>Find answers in the Word of God</li> <li>Study the history of God's dealings with mankind</li> <li>Understand how God thinks</li> <li>Analyze the lives of Bible characters for personal examples of how God deals with individuals</li> <li>Study a variety of Bible topics</li> <li>Define a variety of character qualities</li> <li>Analyze the character quality in the life of a Bible character</li> <li>Complete puzzles that research the truth of the character quality</li> <li>Listen to stories that emphasize the practical use the character quality</li> <li>Use a variety of means to further integrate the character quality into the students' life</li> <li>Memorize Scripture passages that are applicable to students' lives</li> <li>Memorize key Scripture passages rather than just single verses</li> <li>Encourage families to memorize Scripture together</li> <li>Encourage an active prayer life</li> <li>Understand biblical vocabulary</li> <li>Understand the land of Israel through use of maps and related skills</li> </ul>
