

Bible Curriculum Pre-Kindergarten

Text:	<i>Abeka Bible Curriculum for Pre- Kindergarten</i> NIV Bible
Supplemental Materials:	Abeka ABC Bible memory cards, Bible Doctrinal drills, Abeka pictures of all Bible stories, and “Sing Unto the Lord” CD of hymns and choruses.
Course Description:	The primary goal of the Abeka curriculum is to make the Word of God meaningful to the lives of the students. The curriculum provides a foundation of the Old and New Testaments through various Bible stories. As the children learn God’s Word through these Bible stories the hope is that they will learn to love Jesus Christ as their Savior. In addition, our hope is that they apply their knowledge of God’s Word to their lives. Bible topics covered during Kindergarten are: Salvation, Creation, Old Testament characters, Thanksgiving, Christmas, the Ministry of Jesus, and the Crucifixion and Resurrection of Jesus.
Methods of Evaluation:	Students are expected to learn a Bible Verse each week and will be evaluated one-on-one. Each student is expected to participate in classroom activities such as singing, and answering questions about Bible stories previously taught. Teacher observation (i.e., visually and audibly) of student performance will be noted weekly.
Pace of Instruction:	Two to three new lessons a week, with one or two days devoted to reviewing previously taught lessons.
