Administrative Updates: Dr. Palmer announced the upcoming Boosterthon. This is a fundraiser that will begin shortly. The Boosterthon fundraiser will help obtain much needed Wi- Fi access to the Lower School campus. Dr. Palmer also was glad to announce that due to our great success with Onward and Upward the left over funds after the Cross Fit equipment purchase will be used to update 25 computers. The goal is to establish the most effective up to date system. Concern was noted that we are still shy 4078.21 to obtain this goal. A Motion made to allow a cap of 5000.00 to allow the update to begin promptly. The extra funds will be used only if needed due to potential wiring needing to be replaced. .Motion vote archived* this will take place during the summer so all kinks will be worked out before the start of the school year.

Updates: A huge thank you from Mrs. Tootle for all the volunteers that have offered to help for Georgia Day. She is truly grateful to have such a great pool of parents willing to offer their time for this fantastic event.

Dawn Byrd has been hard at work updating the PTF bylaws. They soon will be ready for review and a vote.

New Business

It was brought to the PTF's attention that the Christian and American flags in every classroom at Chatham Parkway Lower School are worn and some damaged. Research was done and a supplier was contacted. The cost to replace both flags will be \$5.00 per classroom. A motion was made and seconded*Motion vote archived
