

Dear Parents,

Grandparent's Day is quickly approaching, and that means it is time to prepare our fundraising baskets. However, with Hurricane Matthew affecting so many of our school families, PTF decided to take the burden off of each individual classroom and Room Parent. This year, each grade level is assigned a theme, and PTF volunteers will assemble baskets. Below you will find a list of themes with examples. You do not have to stick with the suggested items. We welcome your creativity! We are also in need of several empty baskets or containers to display the items. If you would like to give something outside of your assigned theme, please feel free! Collection boxes will be at all three carpool areas (morning and afternoon) on November 9th-10th. If you would rather, you may also drop off your donation at the front office. Thank you immensely for your support of the PTF and our school! Please note, this is a voluntary fundraiser, and you are not required to donate. The funds raised will go directly back into our children's classrooms.

Love and Blessings,
Corrie Gee
