

SAVANNAH CHRISTIAN
Preparatory School

April 18, 2017

Dear SCPS Lower School Parents,

The end of the school year is just a few weeks away. We would like to let you know of an opportunity for your student. Savannah Christian Prep Lower School has partnered with Barnett Educational Supplies to offer you *Summer Bridge Activities* books. These books are designed to help children prevent summer learning loss by bridging the gap between the grade a child just completed and the one he/she is about to begin. Our teachers have examined the books and find that they review much of what has been taught during the school year. With our teachers' approval and the awareness that research indicates that as much as two and a half months of learning can be lost during the summer vacation months, we are recommending these books to you. *(Another option is to get the bridge book for the next grade level in order to challenge your child with concepts he/she may not have encountered yet.)*

If you are interested in ordering, please submit the order form with a **check made payable to SCPS** by **Friday, April 28th**. The books will be delivered before the end of the school year.

Working with you,

Suzette Sprinkel
