Dear Savannah Christian Family,

Six years ago, my family traveled from Texas to begin our time at Savannah Christian. We immediately found a community that warmly welcomed us, and the past six years have been spectacular. Earlier this week, I shared with our Board of Trustees that Melanie and I will relocate to the Atlanta area after this school year. While we will lead a new school, the decision to move also puts us closer to our immediate family to be a part of daily life together. As we move on, we remain grateful for the relationships we built and the children we have taught. The memories of Savannah Christian will last a lifetime.

It has been a pleasure to come to campus every day and work with a phenomenal group of leaders, staff, and teachers, many of whom have become dear friends. No matter what the day held, they always kept our students a priority. I am confident these same people will continue the great work the Lord has begun in 1951 when SCPS opened its doors.

During the past six years, Savannah Christian has undergone many changes. We leave the school with a robust enrollment, strong financials, and a plan that enables the next headmaster to continue moving the school forward. We are excited to see what the Lord will do next at Savannah Christian.

Even though I am making this announcement today, I am not going anywhere fast. We will continue to work every day with an eye on the future. Together with the Board, I will do my part to transition the next headmaster to our community. I also look forward to celebrating this graduating class of seniors.

While I write this letter, I am reminded that Savannah Christian is much bigger than one person; it is a school founded on biblical principles and has a sacred mission to *develop the whole child to the glory of God*. The author of Lamentations pens these words that I want to echo, "Yet I still dare to hope when I remember this: The faithful love of the Lord never ends! His mercies never cease. Great is his faithfulness; his mercies begin afresh each morning."

It's a great day to be a Raider!

Chris Harmon, Ed.D.

Headmaster
