IMPORTANT INFORMATION:

- **AS OF 4/20/2022 SCPS WILL NO LONGER BE ACCEPTING PAPER COPIES OF PHYSICAL FORMS OR ATHLETIC PARTICIPATION PAPERWORK.**
- **BEFORE PHYSICALS:** Please print out and send the copy of the GHSA Physical Paperwork with your child. The SCPS Athletic Participation will no longer be available to print, but does need to be completed prior to physicals via the Healthy Roster App/Desktop site. These documents will need to be renewed annually with the physical paperwork.
- **DAY OF PHYSICALS:** We will be sending the paperwork home with your child for you to upload once it is completed. This is different from previous years. Please get this from your child and upload as soon as possible. Your child will not be eligible to participate until this final step is completed.
- The medical records system Healthy Roster will be the one stop shop for uploading and filling out these documents electronically. If you still need to sign up please contact Colton at cschieber@savcps.com with the names and DOB of your children.
- The physical forms will need to be uploaded annually via the app from your phone or computer after they are completed by the physicians. The documents can be downloaded or printed from the school website or most doctors offices have them available. The documents need to be uploaded under “**GHSA Health History and PPE**”. How to videos will be attached below or you can reach out to Colton at cschieber@savcps.com for any questions.
- The SCPS Athletic Participation paperwork will be in the form of a fillable document that will need to be completed at the time of uploading the physical paperwork. This can be found in the documents section of the app under “**SCPS Athletic Participation**”.
- **MIDDLE SCHOOL PARENTS (Rising 5th-8th for Athletic teams):** We will be adding the MS athletes for the sole purpose of record keeping. You will receive an email from Healthy Roster about signing up and creating an account.

Please read these instructions carefully and make sure you are uploading the correct documents in the correct places. Failure to do so will result in rejected documents and you will need to repeat the process correctly.
